

INSTRUCTIONS

PORTABLE NECK FAN COOLPOD

PACKAGE CONTENTS

- CoolPod neck fan
- Micro-USB charging cable

TECHNICAL SPECIFICATIONS

- Material: ABS
- Dimensions: 275 × 180 mm
- Weight: 180 g
- Power: 0.3–1.2 W
- Battery voltage: 3.7 V
- Charging input: DC 5 V, 1 A

FEATURES

1. Power button
2. Indicator light
3. Battery compartment
4. Charging port

HOW TO USE

- Before first use, completely charge the battery. To charge the battery, use the included charging cable and plug one end into a charger or computer, and the other end into the charging port (4) of the device.
- While charging, the indicator light (2) will shine red. After charging is done, the light turns blue. The neck fan is now ready to be used.

- Hang the device around your neck so that the two fans are turned towards your face. Adjust the fans by gently bending the silicone arms.
- To turn on the device, long-press the power button (1).
- You can adjust the speed of the fans. Press the power button repeatedly to switch among the three speed levels (low, medium, high).
- Long press the power button again to turn off the device. The indicator light goes out.

WARNINGS

- Tie long hair in a braid or a ponytail. Otherwise, it could get caught in the fan blades.
- Do not expose the product to direct sunlight or high temperatures.
- Make sure that the device is correctly assembled and without any damage before use.
- Do not expose to water or moisture.
- Children should not use the device by themselves.
- Only use the product for its intended purpose.
- Do not disassemble or modify the device in any way.
- Only use the included USB charging cable.

WARRANTY

The warranty is valid for 24 months. You can claim it from DFVU d.o.o., Liparjeva 6a, 1234 Mengeš, Slovenia, for a replacement product or a refund. Send us your order number and purchase date in the email, which is available by clicking on our logo in the bottom right corner. The product has a lifetime of 24 months from the date of collection.

WEEE disposal and recycling symbol. The WEEE symbol is attached to the product in compliance with the EU directive *2012/19/EU* on Waste Electrical and Electronic Equipment (WEEE). It is intended to deter the improper disposal of this product and to promote reuse and recycling.
