

## INSTRUCTIONS

### ACTICARBON WATER-PURIFYING CUBE

#### PACKAGE CONTENTS

- A water-purifying cube

#### TECHNICAL SPECIFICATIONS

- Dimensions: 10 × 10 × 10 cm
- Material: activated carbon

#### HOW TO USE

- Before first use, rinse the cube thoroughly with mild soap and warm water.
- Place the cube into the fish tank. Recommended placement is near the water inlet of the fish tank.
- Make sure that no obstacles are blocking the openings of the cube. DO NOT position the cube so that the openings are facing downwards!
- When the cube becomes full of impurities, rinse it with mild soap and warm water. For best results, rinse or replace the cube every 3 to 6 months.
- One cube is suitable for a fish tank with about 150 L volume. Depending on the size of the tank, a few blocks might be needed.

#### WARNINGS

- This product is not a substitute for thorough cleaning of the fish tank. You should still clean your fish tank regularly.
- Do not ingest.
- Only use the product for its intended purpose.

#### WARRANTY

The warranty is valid for 24 months. You can claim it from DFVU d.o.o., Liparjeva 6a, 1234 Mengeš, Slovenia, for a replacement product or a refund. Send us your order number and purchase date in the email, which is available by clicking on our logo in the bottom right corner. The product has a lifetime of 24 months from the date of collection.
