- Laser range: 5 m
- Wavelength: 650 nm
- Max. drill bit size: 10 mm

COMPONENTS

1. Laser
2. Levels
3. Laser switch
4. Suction release
5. AA battery compartment cover
6. Dust collector cover
7. Drill hole
8. ON/OFF switch
9. Suction cup
10. Button battery compartment cover
11. Dust cover

HOW TO USE

- Open the AA battery cover by twisting it clockwise (as indicated by the diagram on

the cover) and insert two AA batteries. Mind the polarity.

- Flip the drill guide over and remove the button battery compartment cover. Insert 3 1.5 V button batteries and close it.
- To use the device, turn it on by using the ON/OFF switch on the side.
- Use the laser switch to turn the laser ON or OFF.
- Position the drill guide onto a flat surface and press it down to engage the suction. It will stick to any flat surface. Press the suction release button on the side of the device to release it.
- The dust collected from drilling will be collected in the compartment around the drill hole. Press on the sides of the compartment to open it and empty it.

WARNINGS

- Only use the product for its intended purpose.
- Do not disassemble or modify in any way.
- Keep away from heat and moisture.
- Keep out of reach of children and animals.
- Make sure to only use the tool in a well-lit and secure environment.
- Use protective equipment such as gloves and eye protection.

- Do not aim the laser at other humans or animals. It may cause permanent eye damage.
- Always clean the dust compartment after use.

WARRANTY

The warranty is valid for 24 months. You can claim it from DFVU d.o.o., Liparjeva 6a, 1234 Mengeš, Slovenia, for a replacement product or a refund. Send us your order number and purchase date in the email, which is available by clicking on our logo in the bottom right corner. The product has a lifetime of 24 months from the date of collection.

WEEE disposal and recycling symbol. The WEEE symbol is attached to the product in compliance with the EU directive *2012/19/EU* on Waste Electrical and Electronic Equipment (WEEE). It is intended to deter the improper disposal of this product and to promote reuse and recycling.
