- Put the penguin figure on the middle ice block on the board.

HOW TO PLAY

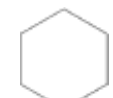

- Pingulce is a game that tests your ability to sense the structural integrity of objects. It may be played by 2–4 players. This game has no winner, but it definitely has a loser. When the penguin falls into the pit, the game is over.
- Determine the first player with a quick game of rock, paper, scissors.
- On each player's turn, they spin the game wheel to see what their next action will be. These are the possible actions:

Skip turn.

Spin the wheel again

Destroy a white ice block

Destroy a blue ice block

Destroy a blue or white ice block

Destroy two white ice blocks

Destroy two blue ice blocks

Destroy one blue and two white ice blocks

- The game proceeds in clockwise order, until the penguin falls into the pit, and the loser is declared.

WARNINGS

- This game is NOT suitable for children under 3 years.
- CHOKING HAZARD due to small pieces.
- Play only under adult supervision.
- Store in the original box, to make sure that the pieces don't go missing.
